

Connecting with your Doctor just got easier

NextGen Patient Portal Patient Enrollment Form

Your doctor's office is now offering NextGen Patient Portal—an innovative, web-based portal that allows you to connect with your doctor any time that's convenient for you. With NextGen Patient Portal you can:

- Correspond online with your healthcare team.
- Access important health information.
- Maintain account information including user name, password and email address.

Using NextGen Patient Portal requires access to the following:

- Computer access
- Internet connection
- Email account
- Printer

Simple Enrollment

If you are interested in using NextGen Patient Portal, fill out the information below and return this form to a staff member to receive further instructions and an enrollment security token.
